Communication*, Oxford University Press.

GRANTS

Internal

- 2024 The Curtis R. Welling Fellowship, \$2,000, Dartmouth College.
2015 Walter & Constance Burke Research Initiation Award, \$25,000, Dartmouth College.
2007 School of Communication Research Grant of \$9,338, University of Miami.
2007 James W. McLamore Summer Award in Business and Social Sciences of \$1,000, University of Miami.
2005 School of Communication Research Grant of \$1,500, University of Miami.
2005 James W. McLamore Summer Award in Business and Social Sciences of \$1,000, University of Miami.
2003 Junior Faculty Development Grant of \$3,500, College of Arts & Sciences, University of North Carolina at Charlotte.

PROFESSIONAL DEVELOPMENT

- 2018 Participant, Short Course, “Teaching Communication Theory: Creatively and Playfully Engaging a Tough Course,” National Communication Association Convention, Salt Lake City, UT.
2017 Participant, National Communication Association Institute for Faculty Development, Denison University, Granville, OH.
2016 Participant, National Communication Association Institute for Faculty Development, Hope College, Holland MI.

COURSES TAUGHT

Communication Theory: Scrutinizes the principles of theory building, major paradigms and theories in the study of human communication across various contexts including mass media, interpersonal, intercultural and applied. (Graduate and Undergraduate Level)

Fundamentals of Speech Communication: Examines the process of communication including key concepts, principles and theoretical concerns in a variety of contexts including interpersonal, small groups, rhetoric, organizations, intercultural, mass media and new technologies. (Undergraduate Level)

Health Communication: Explores the role of patients and caregivers, social and cultural issues, communication in health organizations, and health and the media. (Graduate and Undergraduate Level)

Health Equity Communication: Provides students with the opportunity to learn about the key components of health promotion messages and steps involved in creating effective and equitable health communication campaigns. (Geisel Medical School, Dartmouth’s MPH Program).

Intercultural Communication: Examines intercultural interactions within the United States from a variety of cultural perspectives, while privileging the voices of African, Asian, Bi-racial, Hispanic/Latino, Native, and Jewish Americans, homosexuals and women. (Graduate and Undergraduate Level)

Interpersonal Communication: Analyzes communication patterns in various settings including small groups, families, romantic relationships, work environments, friendships and cross-cultural dyads, and includes topics like listening, decision-making, perception checking and conflict management. (Undergraduate Level)

Persuasion: Applies various social psychological theories of influence including social judgment, dissonance, reasoned action, the elaboration likelihood model and compliance gaining strategies to various situations. (Graduate and Undergraduate Level)

Public Speaking: Provides the opportunity for improvement in both theoretical understanding and practical performance of oral communication. Requires formal and informal presentations. (Undergraduate Level)

Research Methods: Analyzes communication behavior in a variety of contexts with a concentration on the link between theory and research, responsible sampling, content analysis, interviewing techniques, conducting focus groups, doing ethnographic research, questionnaire design and the use of statistics for explaining data. (Graduate and Undergraduate Level)

Social Support in Health Contexts: Surveys theories, methods and findings in interdisciplinary research on how relationships and communication can have positive or negative effects on individuals' health and well-being. Emphasis on the communication of support. (Undergraduate Level)

POSTDOCTORAL MENTORING

Co-Advisor with Amber Barnato on the Post-Doctoral Advisory Committee of:

Satveer Kaur-Gill (November 2022 – August 2023). Postdoctoral Research Associate, The Dartmouth Institute for Health Policy & Clinical Practice, Geisel School of Medicine.

As of August 2023 mentee will be: Assistant Professor of Health & Well Being, Department of Communication Studies, University of Nebraska, Lincoln.
